

## Assessment Requirements

### Unit BP13C – Demonstrating Competency in Removing and Replacing Structural Motor Vehicle Body Panels

#### General Requirements

You must:

1. produce evidence to show you meet all of the Learning Outcomes
2. produce performance evidence resulting from work you have carried out on real vehicles in your normal workplace or as defined within the IMI VCQ Assessment Strategy as managed and organised by an approved centre when naturally occurring performance evidence does not occur at frequent intervals in your normal workplace or when safety is at risk.
3. be observed by an assessor as defined in the IMI VCQ Assessment Strategy.
4. produce evidence from your normal workplace of removing and replacing each type of vehicle body panel listed below.
  - non permanently fixed body panels
  - welded exterior panels
  - a welded sub structure panel (e.g. rear quarter panel, rear panel, roof, chassis legs, inner wheel housing, boot floors, complete sill, A post, B post, C post, D post and cross members)
  - bonded panels (e.g. any panel that is fixed by adhesive bonding as part of the original manufacturers process)
5. be observed by your assessor on **at least 2 occasions** carrying out different panel removal and replacement fitting methods
