

Assessment Requirements

Unit HV12S – Demonstrating Skills in Removing and Replacing Heavy Vehicle Driveline Units and Components

General Requirements

You must:

1. produce evidence to show you meet **all** of the Learning Outcomes
2. produce performance evidence resulting from work you have carried out in your training workshop as managed and organised by an approved centre.
3. be observed by an assessor as defined by the IMI Assessment Strategy.
4. produce evidence of carrying out the removal and replacement of **1 unit or component from 2 of the areas** as listed below:
 - clutch
 - gearbox
 - drive line (shafts, couplings, hubs and bearings)
 - final drive
5. be observed by an assessor successfully removing and replacing **1 unit or component on 2 separate occasions.**
