

## Light Vehicle Maintenance and Repair – UNDER REVIEW

PLEASE NOTE - For the purposes of the review and consultation, only the units highlighted in yellow apply – other units have been imported from other NOS suites and will be reviewed separately at a later date

Unique Reference Number	Title Of NOS Standard	Status
	<b>Generic Units</b>	
IMICA01	Contribute to Housekeeping in Motor Vehicle Environments	Imported
IMICA02	Reduce Risk(s) to Health and Safety in the Motor Vehicle Environment	Imported
IMICA03	Maintain Working Relationships in the Motor Vehicle Environment	Imported
IMICA04	Use of tools and equipment in Motor Vehicle Environments	Imported
IMIARB06	Enable learning through demonstration and instruction	Imported
IMICA08	Identify and Agree the Motor Vehicle Customer Needs	Imported
G11	Supervisory Skills	Imported
G12	Developing Staff	Imported
G13	Business Management	Imported
	<b>Technical Units</b>	
IMILV01	Carry out routine light vehicle maintenance	Under review
IMILV02	Remove and replace light vehicle combustion engine units and components	Under review
IMILV03	Remove and replace light vehicle electrical units and components	Under review
IMILV04	Remove and replace light vehicle chassis units and components	Under review
IMILV05	Inspect light vehicles using prescribed inspection methods	Under review
IMILV06	Inspect light vehicles	Under review
IMILV07	Diagnose and rectify light vehicle combustion engine and component faults	Under review
IMILV08	Diagnose and rectify light vehicle chassis system faults	Under review
IMILV11	Overhaul light vehicle mechanical units	Under review
IMILV12	Remove and replace light vehicle transmission and driveline units and components	Under review
IMILV13	Diagnose and rectify light vehicle transmission and driveline system faults	Under review
IMILV14	Diagnose faults where no prescribed process or format is available in light vehicle environments	Under review
IMILV15	Provide technical support and advice to colleagues in light vehicle environments	Under review
IMILV16	Liaise with light vehicle and product manufacturers and suppliers on technical matters	Under review
IMILV17	Set up and maintain diagnostic equipment and technical information system support in light vehicle environments	Under review

IMILV18	Conduct diagnostic consultations with customers in light vehicle environments	Under review
NEW IMILV19	Diagnose, remove, replace and recalibrate motor vehicle Advanced Driver Assistance System components	New unit
IMIAEME106	Diagnose and rectify motor vehicle electrical unit and component faults	Imported
IMILVBP18	Remove and fit basic motor Mechanical, Electrical and Trim (MET) components and non-permanently fixed vehicle body panels	Imported
IMIEV1	Carry out non high energy electrical system work on or near electric and hybrid vehicles	Imported
IMIEV2	Carry out work on broken down and damaged electric and hybrid vehicles	Imported
IMIEV3	Service and repair non-live electric and hybrid vehicle systems	Imported
IMIEV4	Isolate and reinstate an electric and hybrid vehicle	Imported
IMIEV5	Diagnose, test and repair electric and hybrid vehicle high voltage batteries	Imported
