ROADSHOW

The morning session will comprise of a roadshow. This will provide an opportunity to showcase the platform, and a general overview of what IMI eLearning has to offer both you and your learners. You will be able to explore the platform, and the team will be on hand to answer any queries you may have.

TRAINING SESSION

In the afternoon, our team will be conducting a free training session on the IMI eLearning platform. The team will guide you through several training activities, providing specific examples of the types of learning options available through the platform, for use in the classroom and how your learners can make use of the learning materials at home.
