VISIT TO LYDD AIRPORT

Lydd Airport provides unrestricted access to mainland Europe and caters for a range of aircraft operations including executive jets, helicopters, private light aircraft and general cargo as well as some scheduled commercial operations. Planning approval has recently been given for extending the runway by 294m that will allow aircraft the size of Boeing 737s and the A319 Airbus to use the airport. As well as a coach tour around the site attendees will hear a presentation by Charles Buchanan about the current workings of the airport as well as future plans and ambitions including the desire for a rail link to the airport.

Date Thurs 24 Sep 2015 - 17:00
Location London Ashford Airport Ltd., Lydd, Romney Marsh, Kent TN29 9QL
Notes Numbers limited to 30. Refreshments 16:30
Code KTG0339
