Unit LV04C – Competency in Removing and Replacing Light Vehicle Chassis Units and Components

General Requirements

You must:

1. produce evidence to show you meet all of the Learning Outcomes
2. produce performance evidence resulting from work you have carried out on real vehicles in your normal workplace or as defined within the IMI VCQ Assessment Strategy as managed and organised by an approved centre when naturally occurring performance evidence does not occur at frequent intervals in your normal workplace or when safety is at risk.
3. be observed by an assessor as defined in the IMI VCQ Assessment Strategy.
4. produce evidence of removing and replacing **3 different units or components** in total which **must include items from** steering, suspension and braking systems. Your evidence must include demonstration of competence **in each** aspect of mechanical, electrical and hydraulic/fluid units or component removal and replacement.
5. be observed in your normal workplace on at least **1 occasion** successfully removing and replacing units and components from one of the following systems:
 - steering
 - suspension
 - braking

Evidence from simulated activities is **not** acceptable for this unit.
