

## Assessment Requirements

### Unit LV04S – Skills in Removing and Replacing Light Vehicle Chassis Units and Components

#### General Requirements

You must:

1. produce evidence to show you meet **all** of the Learning Outcomes
2. produce performance evidence resulting from work you have carried out in your training workshop as managed and organised by an approved centre.
3. be observed by an assessor as defined by the IMI Assessment Strategy.
4. be observed by your assessor successfully carrying out the removal and replacement of **3 different units or components** – one from each system. Your evidence must include demonstration of skill **in each** aspect of mechanical and hydraulic/fluid units or component removal and replacement.
  - steering
  - suspension
  - braking
