

## Assessment Requirements

### Unit MET04C – Demonstrating Competency in Removal and Fitting Mechanical Components

#### General Requirements

You must:

1. produce evidence to show you meet all of the Learning Outcomes
2. produce performance evidence resulting from work you have carried out on real vehicles in your normal workplace or as defined within the IMI VCQ Assessment Strategy as managed and organised by an approved centre when naturally occurring performance evidence does not occur at frequent intervals in your normal workplace or when safety is at risk.
3. be observed by an assessor as defined in the IMI VCQ Assessment Strategy.
4. produce evidence of removing and replacing **at least 1** unit or key components from 2 of the **4** systems listed below\*. **At least 1** must come from work carried out **in your normal workplace.**
  - suspension – active suspension
  - climate control
  - ABS braking system
  - Transmission

\*However, you must prove to your assessor that you have the necessary knowledge and understanding to be able to perform competently in respect of **all** the systems listed above.

5. be observed by your assessor on **at least 1 occasion** carrying out the removal and replacement of the mechanical components.

Simulated activity **will be** acceptable to assess candidates' competence in the removal and replacement of mechanical components on no more than **1** occasion.
