

Assessment Requirements

Unit VF44C – Demonstrating Competency in Receiving and Storing Stock

General Requirements

You must:

1. produce evidence to show you meet **all** of the Learning Outcomes
2. produce performance evidence resulting from work you have carried out on in your normal workplace or as defined within the IMI VCQ Assessment Strategy as managed and organised by an approved centre when naturally occurring performance evidence does not occur at frequent intervals in your normal workplace or when safety is at risk.
3. be observed by an assessor as defined in the IMI VCQ Assessment Strategy.
4. produce evidence of carrying out the receipt and storage of stock on **at least 3 separate** occasions. You will also need to produce evidence of dealing with the discrepancies listed below on **at least 2 separate** occasions.
 - damage
 - incorrect stock
5. be observed by your assessor selecting and issuing parts on **at least 2 separate** occasions **in your normal workplace**.

Evidence from simulated activities is **not** acceptable for this unit.
